Farmers Convention In Strathmore

U.F.A. and U.F.W.A. District Association Meets.

Testimony to the strength of the United Farm movement in this district was afforded by the large number of delegates who turned out to the first Convention of the newly-organized Western Bow Valley District Association U.F.A. and U.F.W.A. This was the more noticeable as heavy snow fell all day, and the delegates from a distance must have had considerable difficulty in making their way to Strathmore and back. The sessions commenced in the forenoon at Strathmore Memorial Hall, which had been donated for the day by several business men of the town. Lunch was served at noon by the members of Strathmore U.F.W.A. In the afternoon resolutions were discussed, and addresses given by Mrs. F. E. Wyman, vice-president U.F.W.A.; Mr. J. C. V. M.L.A. Gleichen, and Mr. R. O. German, Secretary of the Wheat Pool. In the evening Mr. E. J. Garland, Member of Parliament for Bow River Federal Constituency, spoke on various questions of Dominion and International importance.

Mr. R. P. Umbreit, President of the District Association, occupied the chair, while Mrs. Gable, Strathmore, vice-president, and Mr. Harvey Hansen, Nakama, secretary, also occupied seats on the platform.

Resolutions Defeated. Resolutions were introduced dealing with various questions. A resolution asking that schools be closed in September so as to allow children to help in the harvest was defeated. A resolution, proposed by Mr. E. F. Wheeler, that the Provincial Labor Bureau be abolished, was defeated after considerable discussion. It was admitted that the present labor situation was up to the mark.

Republicans Win

NEW YORK, Nov. 5. (via Calgary by radio, 1 p.m.)—With returns incomplete Coolidge appears to have been elected for his second appointment as President. The winning tide of ballots up to the Harding fight in the 20th. Returns, however, were still too incomplete to show whether he had a clear majority.

With a little more than half the Senate and half Congress reported, Republicans have gained 12 seats in Congress and 3 or 4 in the Senate.

Coming Events

A tea will be held under the auspices of the Girl Guides, on Saturday, November 8th, in the Strathmore Trading Co.'s old store.

Do your Xmas shopping at the Fourteenth Annual Bazaar, to be held on Saturday, November 15th, in Mr. Shrimpton's old store. The ladies of the Anglican Guild will be pleased to wait on you, and afternoon tea will be served.

MEMORIAL HALL

Strathmore SATURDAY, NOVEMBER 8, 1924

"SALOMY JANE"

Jacqueline Logan, George Fawcett, Maurice Flynn, Wm. B. Davidson.

The story by Bret Harte is a classic. The play by Paul Armstrong was a huge hit. The picture, fashioned from both of them, is a knockout. You can't be disappointed!

satisfactory, but the majority of the delegates did not consider that the abolition of the labor bureau would improve matters.

The delegates were evidently not in an adopting mood, for resolutions calling for the abolition of the election deposit and for the adopting of the preferential ballot in U.F.A. elections were also defeated.

Mrs. Wyman Speaks. Mrs. F. E. Wyman, Vice-President of the U.F.W.A., was the first speaker of the day and in a bright little address, spoke of the pleasure it gave her to be present at the initial meeting of the new association. The Strathmore Association had been functioning for two years now, and she considered it had been of considerable value to the farmers and farm women of that district. It enabled those who were not able to attend the annual U.F.A. convention to present their views, and it was a potent factor in building up the local.

Welcome from Strathmore. On behalf of Mayor Bell who was unfortunately ill with pleurisy, Mr. Harold Bell welcomed the delegates to Strathmore, and invited them to make the fullest use of the Memorial Hall, which was intended as a community hall for the people of the whole town. The farmers and the farmers' wives were closer together in their viewpoints now than they had ever been before. Their interests were similar, and there was no reason why they should not work together.

The chairman and Mr. J. P. Laurie expressed their thanks to the Strathmore business men for the use of the hall, and for the welcome given, and also for the assistance of the Mayor and wishing him a speedy recovery.

An invitation was received from Gleichen Local, offering the use of the Meadowbrook Community Hall for the next meeting, and this was accepted.

Address by Mr. J. C. Buckley. Mr. Buckley congratulated the District Convention on the attendance of their first meeting, for in spite of the severe weather and bad roads, they had an enthusiastic gathering, and that was the best sign of the results if the weather had been propitious.

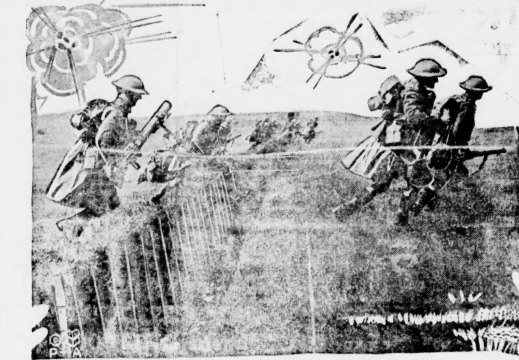

Now some may wonder what is the object of this District Convention, or what do they hope to accomplish? Well the first unit in our great organization is the individual member. There he begins his work. It was felt there was a long step down from the local to the district, and to bridge over this gap the District Convention was inaugurated, where contributing local units meet together and discuss resolutions, which, if adopted, are forwarded to head office for presentation to the Annual Convention, where they take precedence over resolutions sent in by local units, also the fact of their being discussed at the District Convention tends to a more intensive study, and assists delegates to present their views most intelligently before the main convention. Again, many members are reluctant about getting up to speak before the large Annual Convention, and these quarterly meetings give an opportunity to discover new talent and develop it so that when officials are needed all are conversant with his or her ability.

Educational Value. All U.F.A. and U.F.W.A. members are invited to attend, although only duly accredited delegates can vote, yet the greater the attendance, the more far reaching the influence of the education effected, and as the convention is held each time at a different locality it adds still further to its sphere of influence.

Then there is the social side which is absolutely essential for people who are anchored so closely by reason of their occupation, so that many learn to know each other better, and appreciate each other's viewpoint.

He suggested that the resolution regarding using the Single Transferable Vote, was so summarily dismissed without discussion, as it was now in our Election Act, and would be used in our next election wherever there were more than two nominations for one seat, and if they were not conversant with both marking and counting, they would be greatly hampered in obtaining deputy returning officers for our polling booths. He exhorted them to study the method and organize mock elections in their localities so as to familiarize themselves with its operation.

He also spoke on the Liquor Act, Prohibition Act, Etc. **Facts Regarding the Wheat Pool.** The new speaker was Mr. R. O. German, Secretary of the Wheat Pool. (Continued on another page)

"OVER THE TOP" WITH THE FAMOUS "BLACK WATCH" In England—had their baptism of actual fire in the world war. As members of the famous "Black Watch," they made an enviable record for themselves in the crush of Prussian lines.

STRATHMORE TRADING CO. MOVING TO NEW LOCATION

This week the Strathmore Trading Co. are moving to their new home in the new Hirtle Block. Manager Shrimpton intends to be installed there by Friday.

The new building, which has just been completed by Mr. M. S. Hirtle, is built of brick, with full basement, and has a 7500 sq. ft. space on the main floor of 40 by 12 feet. It is heated by a gas furnace. The floor is of wood, and there is a full glass front. This is the first building to be completed replacing those destroyed by fire. A number of the other buildings are under construction. The workmanship of the store is a credit to Contractor Hirtle and his staff of workmen.

BELL'S GARAGE NEARS COMPLETION

Mr. Harold Bell's new brick and hollow the garage is almost completed and ready for occupancy now. The new building is a credit to the town, and displays great confidence on the part of Mayor Bell in tearing down his former frame building and erecting the new one. The new building measures 100 feet by 50, with cement floor and metal roof, so that it is practically fireproof. There is fine workshop, and basement for heating plants. The office and showroom affords ample space. The front is faced with stone finish, in which the sign "Bell's Garage" is lettered with a bell on each side.

Messrs. Bennett and White, Calgary are the contractors, and have made a very good job of the construction.

NEW TELEPHONE DIRECTORY

To meet with the expansion of the local telephone exchange the Standard has, with the co-operation of business people on the exchange, this week issued a new telephone card directory.

Every subscriber to the local exchange is entitled to a copy free. Those whose post office address is not in Strathmore have had copies mailed to them. Strathmore subscribers can have their copies by calling at the Standard office.

There are now four hundred and fifteen phones on the local exchange. The new list is up-to-date to October 31st.

Gosh, I'm Glad That's Over!

Memorial Service Sunday Evening

A joint memorial service will be held in Strathmore War Memorial Hall, on Sunday evening, November 9, in commemoration of the men who died in the Great War. The service will be conducted by Rev. A. H. Rows, of Strathmore Union Church, and Rev. A. D. Currie, of St. Michael and All Angels. Special music will be given, and anthems, will be rendered by a joint choir, and the service will in all respects be in keeping with the occasion. All, without respect to denomination, are invited to be present, and assist in keeping alive the memory of those who fought the good fight in Flanders and the other battlefields of the Great War.

TWO MINUTES SILENCE ARMISTICE DAY

In honour of the men who fell during the Great War, the Governor-General of Canada (Lord Byng) asks that all business be suspended from 10.55 to 11 a.m. on Sunday, November 11, Armistice Day. The period of quiet will be general all over the British Empire and the United States.

To aid in the observance at Strathmore, the Town bell will ring for a short period prior to 10.55.

A short service of remembrance will be held in St. Michael's Church. It is to be hoped that this request will be generally observed.

M.D. Bow Valley Meet

A meeting of M.D. Bow Valley Council was held in Strathmore on Saturday, Reeve H. S. B. Chamberlain presiding. Council members present were Messrs. Wheeler, Weinberger, Woyers, Baker, and Lausner.

The minutes of last meeting were read and adopted.

With regard to the Moonshine pound case, it was stated that this case was to be reheard, but the date was not fixed.

Do Away With Employment Bureau. On motion of Mr. Wheeler, it was decided to send a resolution to Municipal Convention asking that the Government Employment Bureau be abolished. The Council were of the opinion that the Bureau was not working out in a way satisfactory to the farmers, and that the old system was better.

Another resolution, moved by Mr. Baker, was also carried, asking an amendment to the pound law that stock be not allowed to run at large, irrespective of the condition of the fences.

Delegates to Convention. The Reeve and Secretary were appointed as delegates to the Municipal Convention, which will be held this month in Calgary.

Engine Troubles

With regard to the purchaser of one of the engines sold by the Municipality, who asked for further time in which to make his payment, it was moved that the secretary write him that if he can afford a new car he can afford to pay for the engine.

Councillor Baker moved that the radiator of the big engine be bought from the Municipality was looking all over. It was decided that Mr. Baker take the radiator up to Calgary and get an estimate on the cost of repairing it, and the settlement left over till next meeting. The dangerous condition of the hill on the Government road at Hartell's was mentioned. Councillor Lausner said that danger signs should be placed on the bad places in the road.

The Reeve and Secretary were empowered to advance \$12,000 to the Hall Board on account of current hall taxes. Several other items of business were discussed, and the meeting adjourned.

PRINTING

The Standard maintains a first class Job Department and is equipped with up-to-date machinery and type to handle every class of Commercial and Society Printing with Promptness, Accuracy, and Taste, at reasonable prices.

Farmers Convention In Strathmore

U.F.A. and U.F.W.A. District Association Meets.

Testimony to the strength of the United Farm movement in this district was afforded by the large number of delegates who turned out to the first Convention of the newly-organized Western Bow Valley District Association U.F.A. and U.F.W.A. This was the most noticeable as heavy snow fell all day, and the delegates from distant places had had considerable difficulty in making their way to Strathmore and back. The sessions commenced in the forenoon at Strathmore Memorial Hall, which had been donated for the day by several business men of the town. Lunch was served at noon by the members of Strathmore U.F.W.A. In the afternoon resolutions were discussed, and addresses given by Mrs. F. E. Wyman, vice-president U.F.W.A., Mr. J. C. Buckley, M.L.A., Gleichen, and Mr. R. O. German, Secretary of the Wheat Pool. In the evening Mr. E. J. Garland, Member of Parliament for Bow River Federal Constituency, spoke on various questions of Dominion and International importance.

Mr. R. F. Umbrie, President of the District Association, occupied the chair, while Mrs. Gladys Wheeler, vice-president, and Mr. Harvey Hansen, Nanaimo, secretary, also occupied seats on the platform.

Resolutions were introduced dealing with various questions. A resolution asking that schools be closed in September so as to allow children to help in the harvest was defeated. A resolution, proposed by Mr. E. J. Garland, that the Provincial Labor Bureau be abolished, was defeated, after considerable discussion. It was admitted that the present labor situation was unsatisfactory, but the majority of the delegates did not consider that the abolition of the labor bureau would improve matters.

The delegates were evidently not in an adopting mood, for resolutions calling for the abolition of the election deposit and for the adopting of the preferential ballot in U.F.A. elections were also defeated.

Mrs. Wyman Speaks
Mrs. F. E. Wyman, Vice-President of U.F.W.A., was the first speaker of the day and in a bright little address, spoke of the pleasure it gave her to be present at the initial meeting of the new association. The Secretary Association had been functioning for two years now, and she considered it had been of considerable value to the farmers and farm women of that district. It enabled those who were not able to attend the annual U.F.A. convention to present their views, and it was a potent factor in building up the locals.

Welcome From Strathmore
On behalf of Mayor Bell, who was unfortunately ill with pleurisy, Mr. John Mackenzie welcomed the delegates to Strathmore, and invited them to make the fullest use of the Memorial Hall, which was for the use of the community hall for the people of the whole district. He believed the farmers and delegates were closer together in their viewpoints now than they had ever been before. Their interests were similar, and there was no reason why they should not work together.

The chairman and Mr. P. Lattre expressed their thanks to the Strathmore business men for the use of the hall, and for the welcome given, also expressing the illness of Mayor and wishing him a speedy recovery. An invitation was received from Gleichen Local, offering the use of Meadowsbrook Community Hall for the next meeting, and this was accepted.

Address by Mr. J. C. Buckley
Mr. Buckley congratulated the District Convention on the attendance of their first meeting, for in spite of the severe weather and bad roads, they had an enthusiastic gathering, and considering this, one can visualize the effect if the weather had been propitious.

Now some may wonder what is the object of this District Convention, or what it is hoped to accomplish? Well the first aim in our great organization is the individual member, then the local, after that the district, then the province, and finally the national body, and in the brief time over this gap the District Convention was inaugurated, where contributing locals met together and discuss resolutions, which, if adopted, are forwarded to head office for presentation to the Annual Convention, where they take precedence over resolutions sent by locals, also the fact of their being discussed at the District Convention tends to a more intensive study, and assists delegates to present their views more intelligently before the main convention. Again many members are reticent about getting up to speak before the large Annual Convention, and these quarterly meetings give an opportunity to discover new talent and develop it so that when officials are needed all are conversant with his or her ability.

Educational Value
All U.F.A. and U.F.W.A. members are invited to attend, although only duly accredited delegates can vote, yet the greater the attendance, the more, far reaching the influence of the education offered, and as the convention is held each time at a different locality adds still further to its sphere of influence.

Then there is the social side which is absolutely essential for people who are anchored so closely by reason of their occupation, so that many learn to know each other better, and appreciate each other's viewpoint.

He expressed that the resolution regarding using the Single Transferable Vote was so unanimously discussed without discussion, as it was now in our Election Act, and would be used on our next election wherever there were more than two nominations for one seat, and if it was not content with both marking and counting, would be greatly hampered in obtaining deputy returning officers for our polling booths. He exhorted them to study the method and organize mock elections in their locals so as to familiarize themselves with its operation.

He also spoke on the Liquor Act, Prohibition Act, etc.

Facts Regarding the Wheat Pool
The next speaker was Mr. R. O. German, Secretary of the Wheat Pool.

There are now four hundred and fifteen phones on the local exchange. The new list is up-to-date to October 31st.

Memorial Service Sunday Evening

A joint memorial service will be held in Strathmore War Memorial Hall, on Sunday evening, November 5, in commemoration of the men who died in the Great War. The service will be conducted by Rev. H. B. Brown of Strathmore Union Church, and Rev. A. D. Currie, of St. Michael and All Angels. Special music, with solos and anthems, will be provided by a joint choir, and the service will in all respects be in keeping with the occasion. All, without respect to denomination, are invited to be present, and assist in keeping green the memory of those who fought the good fight in Flanders and the other battlefields of the Great War.

TWO MINUTES SILENCE ARMISTICE DAY

In honour of the men who fell during the Great War, the Governor General of Canada (Lord Byng) asks that all business be suspended from 10.58 to 11 a.m. on Tuesday, November 11, Armistice Day. A period of quiet will be general all over the British Empire and the United States.

To aid in the observance at Strathmore, the Town hall will ring for a short period prior to 10.58. A short service of remembrance will be held in St. Michael's Church. It is to be hoped that this request will be generally observed.

M.D. Bow Valley Meet

A meeting of M.D. Bow Valley Council was held in Strathmore on Saturday, Reeve H. S. B. Chamberlain presiding. Council members present were Messrs. Wheeler, Wishnauer, Weyers, Baker, and Lausman.

The minutes of last meeting were read and adopted.

With regard to the Moorhouse pound case it was stated that this case was to be reheard, but the date was not fixed.

Do Away With Employment Bureau
On motion of Mr. Wheeler, it was decided to send a resolution to Municipal Convention asking that the Government Employment Bureau be abolished. The Council were of the opinion that the Bureau was not working out in a way satisfactory to the farmers, and that the old system was better.

Another resolution, moved by Mr. Baker, was also carried, asking an amendment to the pound law that stock be not allowed to run at large, irrespective of the condition of the fences.

Delegates to Convention
The Reeve and Secretary were appointed as delegates to the Municipal Convention which will be held this month in Calgary.

Engine Troubles

With regard to the purchaser of one of the engines sold by the Municipality, who asked for further time in which to make his payment, it was moved that the secretary write him that if he can afford a new car he can afford to pay for the engine.

Councilman Baker stated that the radiator of the big engine he bought from the Municipality was leaking all over. It was decided that Mr. Baker take the radiator up to Calgary and get an estimate on the cost of repairing it, and the settlement left over till next meeting. The dangerous condition of the hill on the Government road at Hartley's was mentioned. Councilman Lausman said that danger signs should be placed on the bad places in the road.

The Reeve and Secretary were empowered to advance \$12,000 to the Hall Board on account of current hall taxes. Several other items of business were discussed, and the meeting adjourned.

Republicans Win

NEW YORK, Nov. 5, (via Calgary by radio, 1 p.m.)—With returns incomplete Coolidge appears to have elected for his second appointment as President by a rising tide of ballots up to the Harding figure in 1920. It seems, however, were still too incomplete to show whether the Republican majority was clear.

With a little more than half the Senate and half Congress reported, Republicans have gained 12 seats in Congress and 3 in the Senate.

ONTARIO WANTS ALBERTA COAL

—O—

Ontario is evidently waiting until the last minute before ordering its winter supply of coal, in the hope that it will be possible to secure Alberta coal instead of the U.S. coal. Telegrams received in the office of the Trade Commissioner the past week from the Fuel Board at Ottawa indicate that the importation of American anthracite has been much below normal this season so far in Ontario, and that people in Ontario are anxious to know of the possibility of securing Alberta coal. Trade Commissioner Stuchbury has replied that it would be possible for Alberta to supply coal this winter to Ontario if the freight rates can be adjusted.

Rockyford Locals

Excavation has commenced on the site of the new village hall. This work is being done, so if you have a few spare hours come along and give the boys a hand. Anyone who will take the opportunity of hauling gravel, the committee will appreciate receiving word of that effect.

Owing to the storm last Wednesday, the long distance telephone lines from Rockyford to Calgary, and other points were out of commission. The trouble shooters were soon on the job, and established connection in a short time. The rural lines were put out of commission too, but as long distance lines have to be repaired first, it was not until this week that every line was working satisfactory.

There will be a meeting of the Rockyford Local O.P.A. on Saturday evening at 8 p.m., November 8th, in the basement of the Union Church, Rockyford. All farmers are cordially invited to attend. Business of an important nature will be discussed.

How about a meeting of the Rockyford Ice Club. We will need to get the rink in shape for flooding, and other arrangements to be made. Let's get busy. Are we going to have a hockey team?

R. L. Club Notes

The R. L. Club met at the home of Mrs. J. B. McGuire on Thursday, October 30th. Twenty-six ladies being present, and three new members were enrolled.

It was decided that the cribbage tournament be postponed until a later date.

Now here comes something new on November 21. The R.L.C. will hold an old time dance and box social. Mr. Black was appointed convener of the committee in charge of this movement.

At the close of the business meeting Mr. C. R. Walrod addressed the club, speaking encouragingly of their work. Following this came a very enjoyable programme. Mr. Jack Costello sang for us two lovely Irish songs, accompanied by Mrs. J. Walrod. You know Jack is Irish and it takes an Irish heart to sing an Irish song.

Misses Alice and May Birt favored us with a piano duet, followed by a piano solo by Miss May Birt. The pretty step dancing displayed by Misses Dolly, Mary, and Kathleen Kennedy, and Miss Louise McEwen was very much enjoyed. Rockyford is proud of its musical talent.

At the close of the programme the usual delightful lunch was served. The next meeting of the R.L.C. on November 12th, will be held at the home of Mrs. A. Wise. Mrs. Short will serve lunch.

Details of special train service, via ship's side, Halifax for Old Country Canadian National Railways, to the Christmas sailings, are announced elsewhere in this issue. There will be a big demand for these Christmas sailings and those contemplating a trip to the Old Country should book now with the local agent of the Canadian National Railways, who represents all steamship lines, and who will be pleased to make complete arrangements for your trip.

DO NOT FORGET THE LADIES' CLUB DANCE NOVEMBER 23

COAL COMMISSION

Appointment of a commission to make investigation of the coal mining industry of Alberta, in accordance with the decision made at last session of the legislature, is announced by the provincial government. The members of the commission are H. M. E. Evans, Edmonton, chairman; R. G. Brunson, Edmonton; and Frank Wheatley, Edmonton.

Union Church Notes

So far as the services of our Anniversary were concerned they were a great success; untiringly owing to the bad state of the roads the attendance at both services were less than in previous years. We left very sorry indeed for those who were unable to hear Dr. Tuttle. His messages were in inspiration and led us into realms of thought that held the attention of the people from beginning to end. The development of the Dr.'s thought was the new note that is being sounded in religion and in social life, that in the ultimate analysis, the problems of life touch the religious realm.

Incidentally Dr. Tuttle spoke of the debt which we owe to the Christian Church, and which too many of our people forget. Too many, he said, are living on a momentum which carried them years ago, that cannot last forever. A debt cut off from its stem will live on a while, but after that—what?

The Second Quarter gave an excellent selection at both services, and our friend Miss Day never sang better than at the evening service. Mr. J. Best, very ably assisted at the piano, which was very much appreciated.

Next Sunday, "Thanksgiving Service" will be held at Crowfoot, Tudor and Rockyford, and we trust to see a full gathering of our people at each service. We are sure of your feelings in Thanksgiving Songs.

We are glad to give out a preliminary announcement that Dr. A. M. Scott B.A., L.L.D. (Rector of Trinity College, Toronto) will pay our Literary Society a visit on November 28th. His subject will be "Psychology and Education." Everybody please make a note of this visit, and let us hope the hall will be ready, and in a warm state, for a packed house.

We are also pleased to state that our first evening with "Moving Pictures" will be given this month. The programme will be as follows:

November 12th, Wednesday, Balmire; 13th Thursday, Rockyford (in the Church); 14th, Friday, Tudor; 15th, Saturday, Crowfoot. Will interested people please cut out this literary. The reels shown will be as follows:

"Through Life's Windows," a study in optics; "The Magic Glove," "Dollie Up Junior," "London Landmarks," "The Luck," "Winter Sports in New York," "Becky," "The Hearted Hotel," "Dissolving Views." These pictures are being rented from our University of Alberta, Edmonton, and in consequence a collection is taken to defray expenses. These pictures are worth seeing. Mr. Rogers would like to say that if these picture evenings are appreciated, other evenings will be planned, provided always, weather permitting.

Come to Sunday School next Sunday.

St. Rita's Bazaar and Supper

Next Monday evening St. Rita's Church will hold their fourth annual bazaar and Thanksgiving Supper. This has come to be regarded as one of Rockyford's great social events of the year and on this occasion every preparation has been made to make it the best held yet. A dance will follow the supper. Details will be seen in adv. on this page.

The New Town Hall

The committee in charge of the town hall campaign are pleased to report that progress, at present, appears most favorable. There is no question about our ability to erect this building, provided the enthusiasm displayed by the great majority of our citizens is supported by reasonable cash contributions.

We do not wish to have this appear as though we are asking the public to furnish the money to build a hall for a certain part of the community, no, we do wish anyone to contribute more than they can afford. It is the quite general impression that the Rockyford district is really in need of a suitable building in which to hold entertainment of various kinds. Several abortive attempts have been made to secure this building and these failures are chiefly the result of lack of enthusiasm. The present committee greatly appreciate any constructive effort on the part of the members of the community and your co-operation is solicited.

If we will consider this hall a necessity rather than an extravagance, our attitude will be more in keeping with the actual fact. We are building to ourselves, but this is no reason why we should not also build for the future. No reasonable person will venture an opinion that Rockyford is as far advanced as it ever will be, but on the other hand, any town, community, or government is as good as the people of which it is composed. If the majority of the people in any community care to allow the minority to rule and direct its affairs they are not really worthy of better conditions.

Neither stringent financial conditions have left us, in a sense, narrowed in this district, and it is our duty to prove ourselves masters of the situation by taking the bit in our teeth and turning our pecuniary indigence into social wealth. The old times can recall the days when the latch string always hung outside the door, but they were never heard boasting about the size of their cash accounts. They were rich, but their wealth was measured by a social rather than a financial standard.

We can't all afford to spend the winter in the sunny south, and we can't even go there on the weekends in the city, but we can all attend a social function or a concert or lecture in Rockyford occasionally, and it only remains for us to provide a suitable place in which to hold an affair of this kind.

Come on now and let us convince ourselves, if there are any doubters among us, that we have one of the finest and most public spirited communities in the great West.

TENDERS WANTED

The Council of the Village of Rockyford hereby give notice that they will accept tenders on the erection of a Town Hall, to be built at Rockyford. Plans and specifications will be furnished on application. The council reserve the right to reject any or all bids. Good Bank references must be furnished. Bids will be opened November 12th, 1924.

(Sgd.) E. W. PUST, Sec-Treas.

NOTICE TO CREDITORS AND CLAIMANTS.

In the Estate of Charles Berg, late of Alberta, deceased.

NOTICE is hereby given that all persons having claims upon the estate of the above named Charles Berg, who died on the 12th day of August, 1924, are required to file with Mr. J. B. McGuire, Barriater, Rockyford, Alberta by the 8th day of December, 1924, a full statement duly verified of their claims and of any securities held by them, and that after that date the executors will distribute the assets of the deceased among the parties entitled thereto having regard only to the claims of which notice has been so filed or which have been brought to their knowledge.
Dated this 20th day of October, A. D. 1924.

J. B. McGUIRE

LOCAL INTEREST

Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or ex 4

Farmers—Attention should be drawn to the fact that all weed seeds left by the threshing machine sets should be destroyed in five days after threshing, to comply with the Noxious Weed Act. Please comply with this and avoid annoyance—R. B. Welshimer, Council Division No. 3.

Mr. Harold Bailey is leaving Strathmore and going into the cartage business in Calgary. As will be seen from our advertising columns, the street implements and household effects will be sold by public auction on November 12th. Mr. A. Layzell will conduct the sale.

The boys were out skating on the lake over the weekend. How about getting the skating and curling rinks flooded.

With reference to a wedding that was announced to take place, we hear that the prospective bridegroom has already been hitched up to another lady in the Province, consequently the ceremony is off.

A change took place in the local staff of the Union Bank, when Toddy Holroyd was asked to take the position of ledger keeper in the High River branch of the Union, his place being taken by Leslie J. Page from Calgary. Mr. Holroyd was the tallest man in Strathmore, and those whose unpleasant business it is to receive drafts will miss him. The new addition to the staff is reputed to be a good bookkeeper.

Strathmore G.W.V.A. are holding a social on Friday evening, November 7th, in honour of the newswomen, Mr. and Mrs. Adrie Van Tichelen. The bazaar has been an active member of the local branch since its inception.

Farmers' Convention

(Continued from another page)

who said he was pleased to get an opportunity to get out of the office and meet the farmers. The Wheat Pool suffered a loss of \$100,000 in the death of Mr. Chester Elliott, who had a great deal to do with the success of the Pool.

The pool was growing at the rate of twenty-five members each day. They had now over 1000 members, but the decrease of the province. The pool was growing at the rate of twenty-five members each day. They had now over 1000 members, but the decrease of the province. The pool was growing at the rate of twenty-five members each day. They had now over 1000 members, but the decrease of the province.

This was the first year, outside of war times, when wheat rose at the time it did, notwithstanding that U.S. wheat was flooding the market. The three wheat pools in Canada were controlling over 100,000,000 bushels of wheat. They were not worried about selling wheat until the U.S. had disposed of theirs. Every one on wheat meant a million dollars to the pool members. They were in better shape to not results than last year. They had not lost a cent since the wheat crop rolled with the harvest. They had not a single bush of wheat left in the country. They had not a single bush of wheat left in the country. They had not a single bush of wheat left in the country.

The seven members of the Board were administering in a commonsense way. Some of them had fifty thousand and hundreds of their own wheat in the pool. The matter of education the farmer in his responsibilities was a heavy one. The pool member could do anything with his wheat, but use it to bring down the price. He could not sell wheat to non-pool members.

The contract remained good if the farmer sold to another firm. It was a personal contract, and was not resented by the bank. The members of the pool living in the United States were most generous in their cooperation. The pool had it saved them the trouble of worrying over the grain market. They had left them all over the world to solve about the pool. They were the only really successful cooperative wheat pool that had ever been put over.

Report, on 20 or 25 of the members record of performance in the last year. Daily cattle, time was taken, and the pool was growing at the rate of twenty-five members each day. They had now over 1000 members, but the decrease of the province.

The successful conference of the Boys' Board held in Strathmore last week directed attention to the time when the boys have been doing among the boys in the district, and which Rev. Mr. Lonsdale is doing down in the Carleton Place district.

November has started in very strong and it looks as though we might have more of a winter than we had last year. But you can never tell.

Mr. E. W. E. Whitehead, who is now in charge of the C.P.R. storehouse at Strathmore, has for a number of years been a popular member of the Calgary office staff, and on leaving the C.P.R. brought some months ago was made the recipient of a handsome presentation. Mr. Whitehead has now returned to his old job, and will not doubt be an acquisition to Strathmore socially and otherwise. His predecessor at the storehouse did not receive a presentation on leaving, but at the same time he has been much in the thoughts of local people for some weeks past.

Mr. Chas. Allen is on the way back to Canada, the Womble exhibition at London having closed for the year. Mr. Allen was in charge of the Canadian Pacific Building at the exhibition. There is a strong probability that the exhibition will reopen next spring.

Superstition to the telephone exchange, which is in the new telephone directory the Strathmore Telephone Co.'s phones appear as 18 Trading Coy. Grocery, and 18 Trading Coy. Drygoods.

As will be seen from our advertising columns, Mr. J. Hewitt has opened up a restaurant in the Strathmore Hotel Block, and is already getting good business. The restaurant is being operated with all white help.

Nightingale's annual Masquerade dance takes place on Friday of this week.

Overhead Low

Last year's overhead was only two-thirds of a cent a bushel. The secret of the success of the pool was the unswerving loyalty of the farmers of the province and their wives. The Saskatchewan Pool had now 1000 members and Manitoba 1000. The Central Selling Agency was composed of three men from each pool. One man from each province controlled the executive.

He urged them not to relax their efforts to get new members. The objective should be one hundred per cent. In the course of a lengthy and interesting speech delivered during the meeting, Mr. E. J. Garland, Federal Member for Regina, denounced the present wheat system, which he said was a system that the people loathed their own credit. He said that for the nation to be able to stand up to the world, he also dealt with the Crows' Nest plan agreement and other matters of domestic importance. A report of Mr. Garland's speech will appear in our next issue.

Musical
During the day were rendered by Mr. and Mrs. H. B. Womble, Mrs. Esther Zerkle, and Mrs. James Garbutt. All were thoroughly enjoyed. The concert was a very successful one, and will do much to advance the Farmers' cause in the district.

Resolved Notes

The latest meeting of the Ladies Aid Association was held on Saturday afternoon last, in the church, with a splendid attendance. The ladies gave a very interesting and profitable evening in the basement of the church. The ladies gave a very interesting and profitable evening in the basement of the church. The ladies gave a very interesting and profitable evening in the basement of the church.

There will be everything that is good to eat and the affair should prove a success. They will also hold a concert and will have a very successful evening. Mr. Sumner entertained the evening. The ladies gave a very interesting and profitable evening in the basement of the church.

Word has been received that Mr. A. C. Scott, manager of the bank here, is being moved to another place. The bank here will be very busy to lose Mr. Scott. Mr. Scott from their bank. On Thursday evening of last week the members of the Bridge Club met at the home of Mr. Viner, and had a very interesting and instructive meeting. Mr. Scott, the ladies in the rules, etc. of the game, and played progress in being made. Lunch was served for the hostesses at the close of the game. The next meeting will be held at the home of Mr. Sumner, Thursday evening, two weeks from the date of the last meeting.

Thos. E. WRIGHT

'MEN'S BETTER WEAR'

Golf Notes

Very discouraging weather conditions, from a golfer's point of view, marked last weekend, for which two interesting events had been planned, namely a ladies' team match, Strathmore vs. Louisa's club (Calgary), at Calgary, for Saturday afternoon, and the final mixed foursome game, club ties, and presentation of remaining prize for Sunday afternoon.

It is to be hoped that the weather next Sunday, November 10th, will permit of the foursome and attendant festivities.

The men are looking forward to a return team match with Rockyford, and possibly a one-day match if the weather-man will only deal out the same delightful weather as we enjoyed in the Autumn of 1922.

CHITABLE NOTES

Mr. Jim McLean left for his home in New Brunswick, after a stay of a couple of months.

Miss Lydia McLean had the misfortune to fall and break her arm a few days ago, but is now getting along fine.

Mrs. Charlie Harrel is improving slowly from her recent illness, also Mrs. Charlie Cowell is getting better. Johnnie Montague is down in North Dakota, getting ready to move his effects to Alberta. Mrs. Montague and children are living in Dick Newmeyer's house at present.

Fred McKenzie fell and hurt one of his arms about two weeks ago, and is only getting so he can use it a bit now. Threshing is about completed in the district. Mr. J. G. Miller and Orrie Edwards being the last to clean up.

The Kirtan children are out of quarantine, after a long spell of scarlet fever, which was of a very mild type.

NAMAKA NEWS

The dance held in aid of the Red Cross on Friday last reached the objective asked for by the society, with the exception of \$1.00. Thanks to generous generosity given by the L.O.O.F., who provided the hall gratis, also the ladies dance committee who contributed the sum of \$25.00 towards the expenses. Following is a statement of receipts and expenditures: Receipts, received at door \$27.50, from sale of cakes \$7.50, donated by ladies dance committee \$5.00, rebate by Mr. McIntosh 60, total \$40.00. Expenditures, music \$16.00, hall, coffee, etc., \$24.00, sent Red Cross Society \$19.00, total \$40.00. There was not a very large crowd owing, no doubt, to the bad condition of the roads. Those who turned out, however, spent a very enjoyable time. The orchestra, under the able direction of J. W. Eyles, of Glendon, was pronounced a decided success by all.

Coming—Turkey Supper, November 10th, in L.O.O.F. Hall.

Generous Gifts

The immense value offered by The Family Herald and Weekly Star of Montreal this season is meeting with the success the publishers deserve. Their large calendar for 1925 with the beautiful picture—"The Sale of Old Dobbin"—is proving a very popular premium, while the Ten Thousand Dollar Election Contest is a record breaker. For those who value clubs of new subscribers, there is a catalogue of some very handsome and useful rewards. The Family Herald is securing thousands upon thousands of new subscribers by their generous gifts, added to the super excellence of the paper itself; in fact few homes will be found without that great weekly when Two Dollars will secure so much.

Worth while finding

GOOD WHISKY, though not as plentiful as in the days before the War, is obtainable. Many, of course, take some trouble to find it, all good things do—but when found, the trouble is as nothing as the pleasure of drinking a whisky that is sound in every respect, is not low with age, and is palatable beyond words.

Get to know "Sandy Mac", and you'll discover a new friend.

Boosting Strathmore

...is more than merely "thinking" or "saying" good things about the town. Real, honest-to-goodness **BOOSTING** means that every citizen of Strathmore must carry out the following principles every day he lives here:

1. Assume his share of civic responsibility and contribute his moral and material support to any movement toward good government. An efficient yet human civic administration is the backbone of a prosperous town.
2. Do his part in getting and keeping good churches and schools, for these institutions are the builders of progress for the coming generation.
3. Patronize home merchants and professional men, for they are mainly responsible for the comforts, pleasures and opportunities that this community affords to its citizens.
4. Contribute his every effort toward keeping our streets and yards clean and attractive. An attractive town is good business, for a healthy atmosphere is one of the first requisites for drawing new citizens of the right sort.
5. Be generous in thought, word and deed to his neighbors and fellow citizens. Most of the happiness in Life is gotten by doing for others and entering into the spirit of co-operation.

These are the principles that, when every person does his best toward actually carrying them out, will bring us all prosperity and happiness. We prosper only as those about us prosper, so--

Every loyal citizen of Strathmore is urged to become an active, working partner with us--let's do some **REAL** boosting for our town by **MAKING IT BETTER IN EVERY WAY.**
